AODA – Statement of Commitment to Accessibility

Trillium Gift Life Network (TGLN) is committed to providing a barrier-free environment for all stakeholders including our clients/customers, employees, job applicants, suppliers, and any visitors who may enter our premises, access our information, or use our services. As an organization, we respect and uphold the requirements set forth under the *Accessibility for Ontarians with Disabilities Act (2005)*, and its associated standards and regulations.

TGLN understands that we have a responsibility for ensuring a safe, dignified, and welcoming environment for everyone. We are committed to ensuring our organization's compliance by incorporating accessibility legislation into our policies, procedures, equipment requirements, training, and best practices. We will review these policies and practices regularly, as organizational changes occur, or in anticipation of compliance deadlines. In addition, we will strive to meet the needs of individuals with disabilities in a timely and effective manner.

Providing an accessible and barrier-free environment is a shared effort, and as an organization, TGLN is committed to working with the necessary parties to make accessibility for all a reality.

For more detailed information on our accessibility policies, plans and training programs, please contact Leanne Gray, Director, Human Resources.
